Re: Final Record Production, *Center for Biological Diversity v. EPA* (16-cv-00175)

Dear Ms. Townsend:

This letter is the U.S. Environmental Protection Agency's (EPA) response to the Court's Order dated March 27, 2019. EPA has completed its review. EPA has redacted the ten PowerPoint presentations in the manner specified by the Court and is releasing these documents to you via FOIAonline. The withholdings are pursuant to FOIA Exemption 5's deliberative process privilege. 5 U.S.C. §552(b)(5). You may access the released records at <https://foiaonline.regulations.gov/foia/action/public/home> and then searching the FOIA request number, EPA-HQ-2014-007846.

If you have any further questions regarding this production, please contact Assistant U.S. Attorney Jeremy Simon.

Sincerely,

A handwritten signature in blue ink, which appears to read "Casey Pickell", is written over a faint, larger version of the same signature.
